ACTION REQUIRED: Submit Requested Information

1. In order for headquarters to consider further the proposed [] to construct housing [] more justification is required than that outlined in the reference. In particular, the Station should submit detailed information indicating that acquisition of necessary housing by assignment, lease, or purchase is impracticable under present circumstances, and that construction is the only logical solution to the problem. The Station's attention is directed to paragraph 3c, [] which sets forth [] policy in this regard.

2. An analysis of the Foreign Real Property Reports on file at headquarters, dated August 1956, disclose that rentals plus utilities [] average approximately [] per annum. If rental and utility costs have increased substantially since this time, as is indicated in paragraph 1 of reference, such data should be included in the above justification.

3. In addition to the justification, the Station is requested to submit details of the proposed cover arrangements referred to in paragraph 3 of reference.

4. Regarding the Station's suggestion relative to the possible use of counterpart funds, our initial investigation discloses only a remote possibility that such funds may be made available to defray the costs of constructing [] housing. Accordingly, the Station is
